NOTICE - A Certificate of Registry is not a document of Title. It does not necessarily contain notice of all changes of ownership and in no case does it contain an official record of any mortgages affecting the ship. In case of any change of ownership it is important for the protection of the interests of all parties that the change should be registered according to law. Changes of ownership, address or other registered particulars should be notified to the Registrar at the Port of Registry. Should the vessel be lost, sold to Foreigners, or broken up, notice thereof, together with the Certificate of Registry, if in existence should immediately be given to the Registrar of Antigua & Barbuda Ships.
